

DATA SCIENCE IN ELECTRICAL INDUSTRY

Power industry is shining with
Data scientist roles!

Swipe ↗

Some important facts on Data Science in Electrical sector!

Famous Data Science applications in Electrical

- ☐ CUSTOMER MAINTENANCE
- ☐ VSAT TECHNOLOGY
- ☐ SMART GRID
- ☐ BILLING

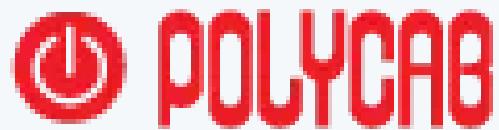

Swipe ↗

Top Companies in Electrical Data Science

SURYA

SURYA ROSHNI LTD.

POLY CAB LTD.

**Schneider
Electric**

SCHNEIDER ELECTRIC INDIA PVT LTD.

Swipe ↗

What is their benefit?

- ↗ Better customer assistance.
- ↗ Improved load forecasting.
- ↗ Less wastage of energy.

Swipe ↪

Revenue benefit to the companies

- ₹ Accounting of energy produce.
- ₹ Better & faster billing service.
- ₹ Detecting anomalies in Load.

Swipe ↪

Future prospects in electrical data science

- ⌚ Calculating energy distribution.
- ⌚ ML models for forecasting of load.
- ⌚ Analysis for electrical funds.

Swipe ↗

Job scope for electrical data science

- ❑ Big Data Analyst.
- ❑ ML engineer.
- ❑ Forecasting analyser.
- ❑ Strategy developer.

Thinking about entering as a data scientist?

Skillsplash has got you
covered!

Get a **free** profile
evaluation today!

Swipe ↗

Skillsplash excels in providing

- ✓ Customised project & coursework.
- ✓ Internships & certifications.
- ✓ Industry knowledge with experience.

Enrol today for top data science program!
